**TRADITIONS**  
at CIBC

Published by CIBC Bank USA for Traditions Club

**DIRECTOR'S MESSAGE**

**Carol Moskal**  
Club Director

I am excited to share with you my first message under the CIBC name. As of September 18, 2017, The PrivateBank now operates as CIBC Bank USA under the CIBC brand name. While our name has changed, our team and our commitment to you as our clients remain as strong as ever. We are excited about this change and the new opportunities it opens to us to help you meet your personal financial goals.

We also want to take this opportunity to remind you that while our products, services and team have not changed, you will be receiving a new CIBC debit card in the mail. Be sure to follow the enclosed instructions and activate by October 25th.

It's hard to believe that the hazy, lazy days of summer are now just memories, but what a wonderful summer Traditions members shared. We traveled near and far with visits to the new Ark Encounter in Kentucky and magnificent Yellowstone Park. Locally we spent summer days up close and personal with the Lipizzaner stallions, enjoyed a visit to a buffalo ranch and met a mule who still pulls the canal boats on the I & M canal. We cruised on the Fox River and experienced outstanding theatrical performances, including Hamilton.

Summer may be over, but Traditions is gearing up for an exciting fall and winter. We have fall tastings, the Shipshewana fall craft show, a visit to a reindeer ranch and the perennial favorite visit to Door County. We will also be travelling to Iceland in the fall to experience the beauty and unique landscape of that amazing country.

If the holidays aren't busy enough for you, we can fill some of your days with several of our special holiday offerings. Time is running out to reserve your space on our special "Blue Christmas in Memphis" tour, this is a great holiday event sure to put you in the spirit so don't delay on your registration. You can also keep summer in your heart this winter by planning to travel with Traditions on our wonderful Caribbean cruise.

Keep in mind that you can always check the club calendar and newsletter on our website [cibc.com/US](http://cibc.com/US) to keep you up to date on the latest information.

We look forward to seeing you at a Traditions event soon.

The following will assist in defining the mobility level required for each tour. We do not want to discourage anyone, but we do want you to better understand the physical level of ability required to enjoy the day.

**Moderate** ● ● ○

Make this a special holiday season with a private evening at Graceland.

Our tour takes us south as we spend one night at the beautiful Gold Strike Hotel in Tunica. During our time in Memphis we will visit the Memphis Rock n' Soul Museum, a Smithsonian Institution.

After visiting the museum, we will check into the Guest House at Graceland for the next two nights. True southern hospitality awaits from the moment you enter this beautiful resort located steps from Graceland and inspired by Elvis' personal style. During the next two evenings you will experience exclusive holiday events including the Elvis Holiday Tribute Show and an evening tour of Graceland and the entire complex. Step back in time and experience Graceland decorated for the holidays with its traditional red velvet drapes and Presley family artifacts, just as Elvis enjoyed it. Other attractions include the Elvis Automobile Museum, Sincerely Elvis Exhibit and Elvis' two custom designed airplanes.

While our evenings will be all Elvis, our days will be all about the sounds of Memphis. We will enjoy a Merry Mojo tour with a musician guide to show us the sights and educate us on the history and legends of Blues City. We will also visit Sun Studio, often called the birthplace of Rock n Roll, and walk the halls where Elvis, Jerry Lee Lewis, Johnny Cash, Carl Perkins and many others made music and history.

Finally, we will stop at the historic Peabody Hotel, decked out in its holiday finest, to observe the famous March of the Peabody Ducks. Don't miss this exclusive, magical holiday extravaganza.

**April 11 & 12, 2018**  
**Spring KaChing**  
**Jumer's Casino and Circa 21 Dinner Theatre**

2 days/1 night  
\$210 – Per person double occupancy  
\$260 – Single occupancy  
Please add \$25 for guests

Our spring getaway takes us to the banks of the Mississippi River in the Quad Cities Area. The early signs and sounds of the season are sure to surround us: warmer days, flowers blooming, birds chirping and let's not forget the "ka-ching" of the slot machines on our annual spring trip.

The fun begins with lunch and a show at Circa 21, once the historic Fort Armstrong Theatre, a vaudeville and silent movie house of the 1920's. Today it is a dinner theatre featuring great food and Las Vegas style seating. In addition, this playhouse is one of only two dinner theatres in the country with a performing wait staff! The performance is a brand new musical, "Rise Up O Men", featuring the men of the church and the singing Church Basement Ladies. It's 1964 and the gentlemen of the rural community unintentionally and hilariously disrupt the order of the kitchen and demonstrate what happens when you let roosters into the hen house.

After the show, we will head to Jumer's Casino and Hotel for our overnight accommodations. Relax in your room, or experience the fun and excitement of the Las Vegas style casino. The hotel has many amenities including a spa, several restaurants and an indoor pool and fitness center.

The next morning we will enjoy a breakfast buffet before boarding our motorcoach and trying our luck at the recently renovated Isle of Capri Casino in Bettendorf, Iowa. When our good luck charms are all worn out, we will return to Illinois for one more stop in the Quad Cities area.

Nestled in a beautiful country setting is one of our favorite wineries, Lavender Crest. This winery features

award-winning wines and a gift shop. We'll gather around the wine bar and enjoy a tasting of Lavender Crest wines before we begin our journey home.

Three meals and \$20 in free slot play is included on this tour. Casino offers subject to change.
