

CIBC US Digital Banking: Enabling online statements and accessing account documents

You can enable online statements to receive your account statements via email and access other account related documents from your CIBC US Digital Banking account.

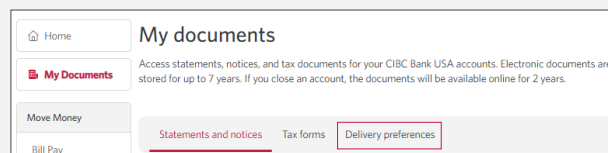

Enable eStatements

1 Log in to your CIBC US Digital Banking account

2 Select My Documents from the menu on the left of the home screen

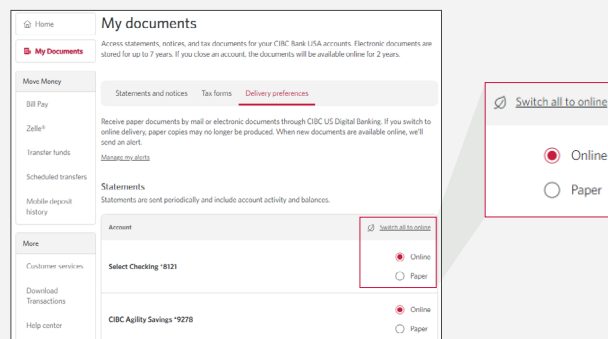

3 Select Delivery preferences from the My documents menu

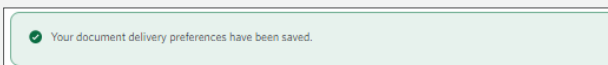

4 You can select different document delivery methods for each account by selecting Online or Paper for each account

Or, you can select **Switch all to online** at the top of the account list to switch all account delivery preferences at once

5 Once you select to receive online statements for an account, you will see this confirmation message

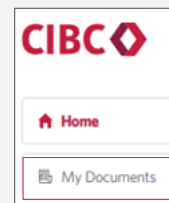

CIBC US Digital Banking: Enabling online statements and accessing account documents
