Our Expertise

CIBC Specialty Finance crafts innovative solutions for specialized lenders by focusing intently on our client relationships and tapping our deep industry experience to reach your goals. Since 2009, we've delivered over \$1.2 billion in commitments to the specialty finance industry to help our clients realize their ambitions. Backed by the strength and capabilities of a North American financial institution with more than 150 years of banking history, we build lasting partnerships by serving your unique needs and making easy for you to do business.

About CIBC

CIBC is a leading North American financial institution with 10 million personal banking, business, public sector and institutional clients. CIBC offers a full range of advice, solutions and services in the United States, across Canada and around the world. In the U.S., CIBC Bank USA provides commercial banking, private and personal banking and small business banking solutions and CIBC Private Wealth offers investment management, wealth strategies and legacy planning.
